

CERTIFICATE OF GRATITUDE

Through our partnership with B1G1, every month, we donate to causes that align with the United Nations Sustainable Development Goals which include helping to tackle climate change, end poverty, supply food and shelter and support entrepreneurship amongst others.

Since joining B1G1 we have donated **12,936 giving impacts** benefiting a range of charities, including training in sustainable agriculture for villagers in Madagascar, free school meals for vulnerable children, learning tools for disadvantaged children, provision of meals for hungry and injured dogs and many other worthy causes.

Thank you for being customer of Fullers Fulfilment and because you are, we continue to support, enabling us to do 'business for good'.
